The development of a safe and effective HIV vaccine is one of the greatest biomedical research challenges of our time. The HIV Vaccine Trials Network (HVTN) is now accepting applications for Research and Mentorship Program (RAMP) Scholar Awards to attract African-American and Latino/a medical students who want to make a difference in their communities and contribute to the development of an effective HIV vaccine.

IF INTERESTED IN APPLYING, visit hvtn.org/RAMP or contact: Jenna Udren at judren@fredhutch.org

Applications are due January 13, 2016

RAMP SCHOLAR GRANTS
SEEKING AFRICAN-AMERICAN AND LATINO/A MEDICAL STUDENTS INTERESTED IN HIV VACCINE RESEARCH

PROGRAM HIGHLIGHTS:
• 2-4 month or 9-12 month independent research projects
• Structured mentorship by HVTN Investigators
• Travel to an HVTN Clinical Research Site
• Attendance at an HVTN Conference
• Opportunity for international travel
• Oral and poster presentation and potential for publication

PROGRAM RESOURCES:
• Up to $20,000 for 2-4 month project
• Up to $60,000 for 9-12 month project
• Funding includes salary, materials, and travel
• Career mentoring and access to HIV vaccine research expertise
• Four training webinars throughout the course of the year, and a professional development workshop at the conclusion of the program
