

DIRECTIONS TO GHRB/RBL AND PARKING INSTRUCTIONS

- From Hwy 147, get off exit for Fulton Street (Duke Hospital). Make a right in front of the hospital onto Erwin Rd. Make the first left at traffic light, following signs for Eye Center parking.
- Take a ticket and park at the opposite end of the garage (closest to Research Drive). You will be on the 2nd level of the parking garage at this point. Take the stairs down to the first floor then cross Research Drive and walk down Genome Court. Follow sidewalk just past MSRB II building and take the stairs on the right down the hill to the GHRB building (inside the black wrought iron fence).
- Walk up to the pedestrian gate and push the intercom button on your left to speak to the security officer inside our building.

VISITOR SECURITY SCREENING PROCESS

- Once you enter the gated area, the GHRB security officers will meet you in the vestibule for security screening before you can enter our facility.
- Please bring only the items needed for your visit to our facility.
- **You will need to provide a valid government-issued or DUKE photo ID** (i.e., driver's license); without this you will not be allowed entry.
- Any personal items you bring with you will undergo the screening process.
- Our security officers will have you place any jackets, coats, belts, electronic devices and any contents in your pockets into bins that will be passed through the line scan detector.
- After all items have been scanned, you must then pass through the metal detector successfully.
- Thank you in advance for your cooperation and assisting us in expediting the screening process.
